R E P O R T .

BYTOWN, 25th OCTOBER, 1854.

To the Officers and Brothers of the G. D. of the S. of T. in C. W. :—

It is with no ordinary feelings that I present to you, this, my Annual Report of gratitude to Almighty God for the success who has crowned with such happy results the feeble efforts of this Order to emancipate our countrymen from the soul-galling slavery of intemperance, and roll off the burden under which our country has too long suffered, physically, socially, intellectually and morally; the direct fruit of the Godless traffic in intoxicating drinks! The vitality infused into the seed sowed by this order, which has resulted not only in living root, but in living fruit, manifested in every part of the land; not—it is true—in the permanent reformation of all, the unfortunate inebriates brought under its influence. Although a thousand living, working, loving monuments of your labour of love, now *live*; and by their manly bearing, industrious habits, unyielding integrity, and gradually accumulating comforts, bear glorious testimony to the greatness of the work in which you have been engaged. The gratitude which thrills a thousand hearts, once grief paralyzed, acquainted with only sorrow, but now happy wives, joyful mothers, and clothed, fed and schooled children, seeks opportunity to acknowledge what you, under God, have done.

I am gratified that the spirit of apathy which has so generally, and in many respects, fatally prevailed throughout the Temperance community, has not been more destructive to the efficiency of the Order. I expected a decrease in the number of the Divisions the past year; I am happy to report an increase, which at the present crisis of our work, is of the greatest importance. As a great number of points to which influence can be attracted, and around which true hearts can rally, being of greater practical importance, in not only obtain-

ing, but especially in enforcing a Prohibitory Law, than a larger number of names connected with a less number of Divisions, and thereby exerting an influence in a more limited number of localities. Every year increases the importance of our work, and demands the concentration of every influence upon the securing of an enactment, to save the thousands of our countrymen who are within the hearing of the breathing of the legal man, woman and child slayer, who is *now* on their track, and soon, too soon, if we direct not the giant arm of the law to stop the blood thirstier, will overtake them, breathe his *spirit* upon them, and they will die—with no one to arrest the murderer—no one to avenge their cruel fate—no one to plead the rights, sorrows, woes of the widowed and orphaned—no, for the law demands death by some other poison than deadly alcohol; some other instrumentality of ruin and death than the most common, most prolific, most successful, most cruel and most fatal, before cognizance can be taken of the ruiner and the murderer, and subjected to the fate which its bloody history demands.

You must bring the charge anew against this defiler of our country's beauty—this destroyer of our country's noblest fruit—before a Canadian jury and a judge, who loves justice—better than *that* which the word of the eternal Judge forbade Kings to drink, because it caused them to pervert justice. Who is possessed of too much common humanity, as well as common sense, to insist upon the destruction of a country cursing evil, by punishing the effects of the evil, and allowing the cause to exist, by applying the scourge of justice to the poor victim of drink, in order to remove a scourge of poverty, misery, crime and immorality, the direct result of a cause to be untouched—and the drunkard and drunkard's home with all its woe. The three-fourths of all the inmates of the gloomy cells, nineteen of every twenty of all the murderers whose history has stained the annals of our Province, nine of every ten who plead for shelter, and cry for bread—*maker* sustained, honored, respected and encouraged by law.

Who have brains to think, and faculties to observe the relation between cause and effect, as well as appetites to gratify, and who under a consciousness of high responsibilities will permit the painful evidence of the frightful ravages of this traffic, in swelling the criminal calendar, and affording too constant employment for the constable, jailer, magistrate, and, to interestingly break in upon the ordinary history of criminality, occasionally the hang-man, in playing his yearly returning part in the tragedy of the gallows—to effect the *former* in searching for a remedy for the mighty evil—rather than the latter. Whose judgment will at once decide that the true way to remove such painful and awful effects, is to remove the cause.

Against a mighty influence have we always contended, and we need not be surprised or intimidated that as the certainty of our success appears unquestionable the enemy of our common humanity should marshal against us as their last hope, the most powerful aid. Truth and right must conquer; justice will prevail, should the bench be crushed in its triumph.

The intelligence and morality of our country is with us; the virtuous, affectionate and beautiful of our own Canada pray for us; while the poor inebriate, and his suffering, starving, woe-crushed family look—a look relieved from the dark impress of despair by one gleam of hope—to us, their only hope. With such an array of motives and influences urging us to conflict, we must gird ourselves to warmer fight, and fired by a resistless heroism, infused into every heart by the principle of Eternal right—blot out from the page of our Statute Book that infamous record, which encourages our countrymen—a miserable minority to sell that for *money*, which has oppressed with taxes and burdened with poverty, disease and crime, the mighty majority—an enactment, the history of which is written in blood—and on that same book of potent law, record the righteous fact of protection from the curse of this traffic, by ensuring moral suasion for the drunkard, but legal suasion, with effective penalties, for the drunkard maker.

To this end, let a plan be suggested and adopted by a committee appointed for the purpose, of increasing the efficiency and zeal of the living Divisions, and waking the dead. For not only have we a mighty work to do in securing the law of right, but upon this order will rest the onus of enforcing the laws.

I am happy to report a desirable alteration made by the N. D., in the Constitution of Subordinate Divisions, in placing the financial affairs of the Divisions under their own control. Also, permission to use, if desired, only the examination and obligation to the initiatory ceremony of the New Ritual. Also, the permission to admit females as honorary members of the Order. It is to be regretted that these changes had not taken place two or three years since; had such been the case, hundreds of Divisions now dead, would be now working nobly for the cause—such was the testimony of many at the N. D., when we were contending for these changes. I would also direct your attention to the addition made to the work of the order at the last Session of the N. D., by the adoption of three degrees; the degrees have been adopted by every G. D., before whom this addition of N. D. has been brought. It would be well for this G. D. to decide now, whether we shall avail ourselves of this additional feature of our Order, and if so, how the degrees are to be conferred—now or at some meeting appointed for that purpose, or at both.

The G. S. will give you the required information of the state of the Order. With but one exception, my deputies have reported the Order in a harmonious peaceful state; although in a few instances, the peace of death, yet generally peace with renewed life.

I regret that many of my deputies have not had time to read their commissions; many of them instead of reporting at the close of each quarter, as their commission requires, have not reported at all. The great majority have and satisfactorily.

It is with great pleasure that I speak of the promptitude, business-like correctness, and uniform kindness which has marked my intercourse with your esteemed G. S. during the past year. I feel under great personal obligations to him for the gentlemanly, kind, and business manner in which he has performed many duties which I should have done, but of which he was ever willing to relieve me. The interests of the order have been his interests.

In conclusion, I believe the Order is stronger than when we last met, and I believe that by increased energy and devotedness to the interests of the cause on the part of the members of this body, the order might be restored to its original strength and power.

I thank you brothers, for the uniform kindness that I have received at your hands. The courteous assistance with which I have been favored at all times, and long-suffering and patience with which you have borne with my imperfections. It is my humble desire still to labour with you, knowing and feeling that when associated with you, I am affiliated with my country's truest sons, and humanities noblest friends.

All of which is respectfully submitted.

J. E. BYERSON, G. W. P.

OFFICE OF GRAND SCRIBE,
KINGSTON, 21ST OCTOBER, 1854. }

To the Grand Division of Canada West, Sons of Temperance.

OFFICERS AND REPRESENTATIVES:—Permitted by a kind Providence to assemble again at this our Sixth Annual Session, it devolves upon me to report the transactions of this office for the past term, and the condition of the order under this jurisdiction; and so far as has come to my knowledge no

question of importance has disturbed the harmony of the Subordinate Divisions, many of which show a decided improvement, and an earnest spirit to advance the Temperance Reformation and the principles of our beloved order.

The following statement of the principal transactions of this office since the last session, is respectfully presented.

Immediately after the May Session the blank forms of Memorials, praying for the enactment of a Prohibitory Liquor Law, were printed and forwarded to Subordinate Divisions, with instructions, but owing to the shortness of time, only a few Memorials reached their destination previously to the unexpected dissolution of the Parliament: consequently our efforts on that occasion were frustrated.

The Memorials from the Grand Division were also duly forwarded, and for the reasons previously explained, the Hon. M. Cameron deemed it advisable to defer the presentation of the same until the meeting of the next Parliament.

In accordance with the wishes of the Grand Division, the proceedings of the last Session were printed in a neat form, and expeditiously; and in addition to the usual distribution of them, one copy was forwarded to each member of the Legislative Assembly.

Due notice by advertisement was given of the liberal premium offered for the best Essay advocating the passage of a Prohibitory Liquor Law, and previous to the 1st day of August, thirty-two MSS Essays were received, some of them from the extreme parts of the Province, and the neighboring State of New York. The adjudicators, after a careful reading and investigation into the merits of the several Essays, decided upon awarding the premium to Mr. William Smith, for the Essay entitled, "Shall we have a Prohibitory Liquor Law." The adjudicators in their report will supply other information of the result of their labors. 15,000 copies of the Prize Essay were ordered to be printed, about 10,000 copies have been ordered by the Subordinate Divisions, and nearly that quantity has been already issued at cost price—3s. 4d. per 100. I would merely remark that the rejected Essays were returned to the authors, with the respectful thanks of this Grand Division accompanying the same.

At the late Session of the National Division, held at St. John, New-Brunswick, some important alterations in the Constitution of the Order were made, and as these radical changes are momentous, I submit the Synopsis received from the Most Worthy Scribe, for the action of this Grand Division.

SYNOPSIS OF THE PRINCIPAL ENACTMENTS

Of the National Division, Sons of Temperance, of N. A., at its Eleventh Annual Session, held in Saint John, New-Brunswick, June, 1854.

ALTERATIONS, &c., IN CONSTITUTIONS.

GRAND DIVISION.—Rule XV. as amended.—"Each Subordinate Division shall pay not more than *twenty cents* per quarter for each of its members whose name may appear on the F. S.'s books, &c."

SUBORDINATE DIVISION.—ART. V.—Sec. I.—No person shall be initiated into the Division under sixteen years of age, nor for a less sum than one dollar; provided, that no Youth shall have the right to vote in Division, on any proposition, or hold office, or receive the Degrees until he shall have arrived at the age of eighteen years; and to this end, on the proposal of any Youth under eighteen years of age, the day and year of his birth shall be stated as near as may be.

Sec. 2.—"No person shall be admitted," &c., &c., provided that persons of old age, or under disability or disease may be admitted, but remain in the position of members not entitled to benefits, the amount of their initiation fees and weekly dues to be regulated by each Division.

ART. IX.—Sec. 1.—After a Division has been instituted three terms, no Brother shall be eligible to the office of W. P. unless he has served two terms in a subordinate office or offices, or as Chaplain.

ARTICLE X.—Sec. 1.—It is the duty of every member who has evidence that another has violated Article 2, to prefer the charge and specify the offence to the Division within three weeks after coming into possession of such evidence.

Sec. 2.—The charge for violation of Article II, shall be presented in writing, duly signed, when it shall be referred to a committee of five members, who shall as soon as practicable, summon the parties and investigate the matter.

Sec. 3.—The Committee shall organise by appointing a chairman and secretary. The secretary shall make a correct record of the proceedings, with such testimony as may be presented, which record shall be produced to the Division on the call of any member, after the Committee have reported.

Sec. 4.—If the Committee agree that the charge is sustained, they shall report the fact to the Division by resolution, with a second resolution to the effect that the member be reinstated, if they think proper, which report and resolutions shall lie upon the table at least one week, and the offending member shall be notified of the character of the resolutions by the R. S., and requested to be present at the time appointed for considering the same, with a view of giving an opportunity to make a defence.

Sec. 5.—If the Committee agree that the charge is not sustained, they shall report a resolution to that effect, and if the resolution be adopted, the charge shall be dismissed.

Sec. 6.—When the Committee report the charge sustained, and a majority of the members present at a regular meeting, ballot in favor thereof, the offending person shall forfeit membership, and the W. P. shall direct the name to be erased from the Constitution. If a majority of the Division vote in opposition to the resolution, all further proceedings shall be stayed, subject to appeal.

Sec. 7.—If two-thirds of those voting are in favor of reinstating a member who has been found guilty of violating Article 2, such member shall be restored to membership by re-signing the Constitution. The power to reinstate, shall not, however, extend over the term of one month from the time of receipt of notice by the offending member that the charge has been proved. If a member neglect to come forward to sign the Constitution for one month after receiving notice of reinstatement, or if a member is not reinstated, the W. P. shall declare such member expelled.

Sec. 8.—The forfeiture of membership under this Article shall involve the forfeiture of all honors possessed by the member when the name was erased from the Constitution.

Sec. 9.—If a member come forward and acknowledge a violation of Article 2, the Division, after erasure of his name, may at their option reinstate the member on the same evening, in the manner prescribed in Sec. 7.

Sec. 10.—No member against whom a charge has been preferred under this Article shall be present when any vote is taken in the case, either in Committee or in Division.

Females to be admitted to Subordinate Divisions as visitors. For mode, see accompanying Circular.

The Degrees prepared by the Grand Division of Maryland were agreed to as amended, and adopted.

EXTRACT FROM CONSTITUTION OF DEGREES.

Article I.—Each Grand Division may determine whether it will introduce the Degrees within its jurisdiction; and each Subordinate Division may introduce them or not after its Grand Division has accepted them.

Article II.—A Grand Division introducing the Degrees shall notify the M. W. Scribe of that fact as soon as practicable, and shall procure of him the Degree Books and necessary Cards.

R E P O R T

Of the Committee of the National Division, S. of T., of North America, on the admission of Females into the Order.

ST. JOHN, NEW BRUNSWICK, JUNE 17, 1854.

The Committee on Constitutions who were especially instructed to report a plan for the admission of Females as visitors, or as full members, and to whom were referred the resolutions of the Grand Divisions of Pennsylvania and Georgia,

would respectfully report a plan, which should for the present satisfy the wishes of the more anxious friends of the proposition, and at the same time can be tried with perfect safety—and if experience shall hereafter dictate a repeal, it can be had without injurious consequences.

The plan proposed is embodied in the following, which we recommend to be adopted.

1. That any Subordinate Division may, by a two-thirds vote, determine to admit Females over Sixteen years of age, as visitors, at such times as may be deemed appropriate, on their being proposed, reported by a Committee, and balloted for under the rule observed for the admission of members; and that a form for their introduction, together with the law on the subject be furnished on Cards by the National Division.

2. That visitors shall not be entitled to vote, or participate in the deliberations of the Order.

3. That any By-Law which shall determine the question, &c., as to the admission of visitors generally, or any one in particular, may for satisfactory reasons be suspended.

4. That the following shall be the Card of Address to accepted visitors:—
Having been invited by this Division to visit its Sessions and witness its Ceremonies, we would respectfully ask your assent to the following PLEDGE.

Do you, in the presence of these witnesses, solemnly promise that you will not, either by precept or the influence of your example, countenance or approve the use of Spirituous or Malt Liquors, Wine or Cider as beverages, or the manufacture thereof, or the traffic therein; and that you will not in any manner, make known the private affairs of the Order of the Sons of Temperance to any person not a member thereof. If so, answer—I do.

Agreed to.—FRED. A. FICKARDT, M. W. S.

It was deemed essentially necessary that the Subordinate Divisions should be informed immediately of these material alterations, as an earnest desire was expressed for the privileges of admitting Females to the meetings, and also for the reduction of the Initiation Fee and Weekly Dues; with respect to the last mentioned alteration, which appeared to conflict with Article VI of the Constitution of Subordinate Divisions, I deemed it advisable to write to the Most W. Scribe for an explanation, who promptly replied that the "Initiation Fees and Weekly Dues, are now in the hands of the Order."

A circular was forthwith issued to Subordinate Divisions embracing several subjects of importance, and inviting their attention to the increased advantages and privileges granted, together with blank forms of Petition for a Prohibitory Liquor Law. I feel encouraged to believe that the late alterations will prove most salutary to the Divisions in this jurisdiction. Already some Divisions have made large accessions to their numbers, whilst others have been completely re-invigorated. In consideration that the provision for the admission of Females was intended instantly to take effect, cards containing the Rules and Ceremony were printed and furnished to Subordinate Divisions and another edition will be issued in a few days.

It was deemed proper that an immediate effort should be made to procure the enactment of a Prohibitory Liquor Law from the present Parliament. Unhappily there was not sufficient unanimity amongst Temperance men at the last elections, as other great questions had pre-occupied the attention of our friends. Still, many candidates were elected who professed themselves favorable to the passage of the Prohibitory Liquor Law, and the time was considered opportune for the people to petition; forms of a brief petition were therefore liberally supplied to Subordinate Divisions, accompanied with instructions.

The few petitions that were received at this office were entrusted to the care of the Hon. W. H. Merritt, M. P. P., who most courteously promised to present the same to the Legislature.

Considering the brief period of time that has elapsed since the first or Installation night of the quarter, only 14 days, some allowance must be made for Divisions failing to make returns in time for this Session ; however, I am happy to state that the Returns for the September quarter, have been received from 186 Divisions.

The following Recapitulation will show the state of the Divisions at the present time:—

The September Returns have been received from.....186 Divisions.

DECEASE OF DEPUTIES, G. W. P.'s.

I have received the melancholy intelligence of the death of two of our esteemed brothers.

Brother Calvin Pier, D. G. W. P., long known and deservedly esteemed for his many virtues, and the father of Temperance at Picton, Prince Edward County; and Bro. H. Chamberlain, D. G. W. P., a faithful and valued brother. Both were representatives to this body, and endeared to our affections and esteem.

The following amounts received towards the fund for Lecturers from the following Divisions:

Ontario Division, No. 26.....	£5	0	0
East Augusta Division, No. 291.....	0	15	0
Glengary Division, No. 21.....	1	5	0
Westmeath Division, No. 214.....	0	10	0

Total received.....£7 10 0

I have much pleasure in stating that the financial affairs of the G. D., are in a wholesome state; large drafts have been made upon our Worthy Grand Treasurer during the past term, including the sum of £200 Donation to the Prohibitory L. L. League for Lectures, and after paying all our liabilities, the premium for Essay, and cost of printing edition included, there will remain a balance of about £180 in hand.

My official year being now brought to a close, I would merely remark that an unusual amount of business has been transacted in this office during the past year. The New Ritual and Ceremonies have been furnished to 299 Division, and the form of ceremony for the admission of females to 50 Divisions;—together with Certificates of Membership, Credentials, Memorials, Petitions, and Essays, which, with the alterations in the rate of per centage, and changes in the Constitution have caused an increased and unlimited correspondence, besides Circulars, and a very large amount of Cash—(£635)—has been received in small amounts, which have been promptly acknowledged, duly credited, and with the exception of balance in hand, paid to the Grand Treasurer.

All of which is respectfully submitted.

EDWARD STACEY, *Grand Scribe.*

Moved by Rep. T. Nixon, seconded by Rep. H. W. Jackson, That the Financial Account contained in the G. Scribe's Report, be referred to the Finance Committee, and the other portion to a Special Committee, consisting of Representatives Wm. Wilkinson, Wm. Clegg, and A. B. Pardee.—*Carried.*

The G. Treasurer brought up his Report which was read.

Moved by Rep. Rev. W. Smart, seconded by Rep. R. Brough,—*Resolved*, The Grand Division of the S. of T. of C. W., having their attention directed to the law of the N. D., respecting the exclusion of persons of color, exceedingly regret the adoption of such a law, and cannot but consider that the N. D. has greatly travelled out of its course, and wandered into a latitude far beyond its jurisdiction in avowing principles foreign to its organization and design; that

the law referred to is not only unwise and unjust, but infringes the legitimate liberties of the Subordinate Divisions, and interferes with the rights of conscience of individual members, inasmuch as it denies the claims of humanity, is opposed to the dictates of religion, and is at variance with the spirit and letter of the Constitution of the Sons of Temperance.

Resolved, That in view of these grand and cardinal principles, and in order to render S. Divisions free and unshackled in their just and unalienable rights, a respectful memorial be forwarded to the N. D., praying that in accordance with the wise and benevolent designs of the Institution, the said law be repealed.

Moved by Rep. L. A. Betts, seconded by Rep. Dr. Aishton, That whereas several Subordinate Divisions have applied to the G. D., to ascertain the opinion of this body as to the adviseableness of Subordinate Divisions collecting the arrearages of dues of their members by law.

Therefore, *Resolved*, That it is the opinion of this G. D., that such a course would materially tend to the injury of the Subordinate Divisions, by suing their members at law for non-payment of dues, and would recommend that the Sub. Divisions be governed only by the Constitution of the Order in that behalf.—*Carried*.

Moved by Rep. Dr. Aishton, and seconded by Rep. Breakenridge, That the expenses of the G. Treasurer for his attendance now and hereafter, be paid by this G. D.—*Carried*.

Moved by Rep. R. Brough, seconded by Rep. T. Conner, That in consideration of the services of Rep. C. Leggo, as G. Treasurer of this G. D., he having attended sundry meetings at his own expense, this G. D. present to Brother Leggo the sum of twenty-five pounds.—*Lost*.

The G. W. P. appointed Representatives Beatty, Ellerbeck, and C. H. Van Norman, said committee of inquiry.

Moved by Rep. T. Nixon, seconded by Rep. C. H. Van Norman, That the P. G. W. P.'s Pardee, Ellerbeck, and Ryerson, and the P. G. W. A.'s Stacey, Sutton, Farewell, and Scott; together with G. W. P. The Committee on Appeals brought up their

R E P O R T .

To the Grand Division of Canada West :

OFFICERS AND REPRESENTATIVES.—We, the undersigned Committee on Appeals, would most respectfully ask to be discharged from further consideration as they are unable to report in the case of William Barrett, of Glengarry Division, in consequence of the absence of the necessary documents from that Division.

THOMAS AISHTON, CHAIRMAN.

On motion the Report was received and adopted.
The Committee on Petitions made the following

R E P O R T .

To the Grand Division of the Sons of Temperance, in Session assembled :—

A Petition having been presented by Smithville Division, "praying that two Grand Divisions be established for C. W., instead of one, as at present, on the ground that the remote locations at which many past Sessions of this G. D., and especially the *Annual Session* have been held, have rendered Representation from a large portion of S. D. impossible, and thus resulting in positive injury to the order."

Your Committee beg to report, that in their opinion, the establishing of two Grand Divisions for C. W. is unadvisable, as involving an amount of expense, and other considerations incompatible with the best interests of the Order, but would recommend that in future, the Annual Sessions be held in places as near to the centre of the Province as practicable, and that the Semi-annual Sessions be held at such places, East and West thereof, as in the opinion of this G. D. from time to time, will most fully meet the wants of the more remote Divisions, and conduce to the interests of the Order.

Your Committee would also report unfavourably of that part of another Petition from Smithville Division, praying for a reduction of the per Capita Rate on each member whose name appears on F. S.'s books, for the support of the G. D., believing that the present amount is as low as the wants of this G. D. will warrant. In reference to that part of same Petition, asking for the adoption of Degrees, your committee would refer the petitioners to the Report of Committee on G. W. P.'s Report.

On Petition from New Era Division, asking for pecuniary aid to a brother of that Division who has sustained loss by fire—your committee feel, in duty bound, also to report unfavourably, believing that by granting the prayer of said Petition, a precedent would be set, that in future would involve the G. D. in endless trouble and expense.

All of which is respectfully submitted.

C. H. VAN NORMAN,
J. M. VAN NORMAN.

On motion, concurred in.

G. Scribe entered and took his seat.

The Committee on G. W. P.'s Report made the following

R E P O R T.

To the Grand Division of the Sons of Temperance of Canada West in Division assembled.

Your Committee to whom was referred the Report of the G. W. P. most respectfully report as follows:—

CLAUSE 1.—With reference to the enquiry in the G. W. P.'s Report, as to what means can be adopted to resuscitate the lifeless Divisions under the jurisdiction of this Grand Division, your Committee are of opinion this could most effectually be accomplished by employing Lecturers for such purpose, but at the same time, your Committee are of opinion the present state of the funds of this Grand Division will not warrant any appropriation for the purpose.

CLAUSE 2.—Your Committee participate in the gratification expressed by your G. W. P. that the number of Divisions under your jurisdiction has increased during the past year, and your Committee attribute this cheering fact, and the present prosperous state of the order in Canada, as well as the pleasing prospective prospects of the organization, not to the zeal and energetic action of the Sons, during the past year, (for a criminal apathetic spirit has confessedly been manifested in too many places,) but to the soundness of your principles, and the goodness of your cause.

All thinking men must admit drunkenness to be a dreadful evil, flowing legitimately from the drinking customs of society; all really good men should assist in removing the evil.

Your Committee suggest that the consideration of these facts alone, are sufficient to induce the friends of Temperance to buckle on their armor anew; to take the field again in all their pristine strength; and that one grand and irresistible charge should at once be made upon both the Sebastopol and Cronstadt of the rum power of Canada.

Your Committee are of opinion the stronghold of your deadly enemy is the license system, to which your G. W. P. in his report so argumentatively and eloquently alludes.

And your Committee, with no ordinary feelings of pleasure, congratulate this Grand Division upon the cheering prospect of the speedy demolition of this his *last stronghold*.

Upon going through the list of members of the Legislature from Upper Canada, your Committee conclude 40 are ready to vote for a Prohibitory Law, and we have good grounds for supposing a large majority of the Lower Canadian members are also in favor of the passing of such a law.

It, therefore, becomes a question with this Grand Division in what shape the long sought and ardently wished for law shall pass; whether to take effect immediately or prospectively.

Your Committee submit that the country is now ready for such a law, indeed, expecting it to be passed immediately.

In view of the strong probability of the Legislature passing such a law at its present Session, and the importance of insuring such passage, your Committee submit that this Grand Division, representing as it does almost every locality in Canada West, should memorialize the Legislature upon the subject, and also send one of its members to the seat of Government as a Delegate from this Grand Division, to assist, if necessary, in preventing legislative loop-holes in the law through which the enemy might escape.

CLAUSE 3.—With regard to the subject of conferring Degrees, your Committee are of opinion this Grand Division should at once avail itself of the provisions of the National Division in this respect; that the P. G. W. P. confer said Degrees upon all such of the Delegates now in attendance as may desire; and that this Grand Division make the necessary provisions for enabling the Subordinate Divisions under its jurisdiction to confer Degrees upon their members.

Your Committee cannot close this report without congratulating this Grand Division upon its intimate connexion with an individual possessing the ability, zeal, and energy of the officer whose report is now under consideration.

And in conclusion, your Committee acknowledge the indebtedness of this Grand Division, and of the order generally, to the protecting care of a kind providence, for blessing their labors with the success which has so far attended them.

All which, however, is respectfully submitted.

A. FAREWELL, *Chairman.*

The Committee on the Grand Scribe's Report, submitted the following

R E P O R T .

To the Grand Division of the Sons of Temperance of Canada West.

Your Committee, to whom was referred the Report of the Grand Scribe, beg leave to report that your Committee are much pleased to find that during the past year, the Subordinate Divisions who are in regular working order, are showing great efficiency, and indicating a spirit of renewed and strengthened desire to advance the cause of temperance.

Your Committee deeply regret that the Memorials to the Legislature praying for the enactment of a Prohibitory Liquor Law, which Memorials were got up at a good deal of trouble by the different Subordinate Divisions, should have to a great extent been rendered almost nugatory from the shortness of the session immediately preceding the dissolution of the Provincial Parliament. And your Committee would strongly recommend that this Division will use all its influence and authority, in not only inducing Subordinate Divisions to exert themselves in one constant effort to effect the enactment of this great boon, (a Prohibitory Liquor Law,) to our country, but that they will in the event of the present Representatives of the people in Parliament refusing to grant our prayers, prepare the way for the Subordinate Divisions to act effectually at the polls at the next general election.

Your Committee highly approve of the plan adopted by the Grand Scribe in furnishing a copy of the printed proceedings of this body to each member of the Legislature; and we would (if consonant with the funds of this Division) recommend that a copy of the proceedings be sent this year to each of the members of the Legislative Assembly.

Your Committee are highly pleased to learn from the Grand Scribe's report that an Essay worthy of our cause has been received and adopted, and that so many copies have been distributed among the Subordinate Divisions. Your Committee would recommend as general a diffusion of these Essays as possible, so that all men may become acquainted with the object and principles of our Honored Institution.

Your Committee are impressed with the idea that many of the alterations in the Constitution will be conducive to the advancement of our noble order, and particularly so with regard to the introduction of females. Your Committee believe that the great object of this Association is to protect the lives

and morals of the people of our country, and to effect this grand object by enhancing the attraction of the social circle, and thereby offering to those fond of society, a more delightful repast at home or in the Division Room, than they could possibly procure with their boon companions in the tavern or saloon. Your Committee would recommend that this Division should endeavour to form our Subordinate Divisions into social circles on a large scale, to teach what each family should be in miniature, and to do this, it would be advantageous that the introductions of females should be adopted; and your Committee regret extremely, that the National Division did not allow females to be admitted on perfect equality with Sons; and your Committee feel pleased to find by the report of the Grand Scribe, that the Subordinate Divisions, who have adopted the introduction of females, are not only making large accessions to their numbers, but that several Subordinate Divisions who were in a state of decay, are being resuscitated; and your Committee beg leave to state, that the thanks of this Division should be conveyed to the Honorable W. H. Merritt, for his kind attention in presenting the Memorials forwarded to him by this Division.

Your Committee feel deep regret in finding, by the report of the Grand Scribe, that so many of the Subordinate Divisions have fallen into that apathetic state which indicates a coming dissolution, and hope that the cause attributed by the Grand Scribe, (that is to say,) the brief period between the Installation night of the quarter, and the sitting of this Division, being only 14 days, that many may have been unable to make their returns in time. Your Committee learn with sincere regret, the death of two active and worthy brothers of this Division, and would recommend that a letter of condolence should be sent by this Division to the families of these brothers. Your Committee beg leave, in conclusion, to state that they have great pleasure in testifying to the able and satisfactory manner in which the Office of the Past Grand Scribe has been conducted, and to his extreme kindness and urbanity to all with whom it has been his duty to transact business, and we congratulate the Grand Division on his re-election to the office of Grand Scribe.

Your Committee report on the Circular from the Most Worthy Scribe of the National Division of the Sons of Temperance, that it is in our opinion inexpedient to make any change for the Sessions of that National Body.

Your Committee would further report on the resolution of Representative Smart, No. 1, Brockville, that we recommend that as there will be a Semi-Annual Session of this Grand Division before the Annual Session of the National Division, that the Resolution lie on the table for consideration at that Session.

All of which is respectfully submitted.

WM. WILKINSON, CHAIRMAN.
A. B. PARDEE,
WM. CLEGG,
J. BEATTY, JR.,
THOMAS NIXON,
J. HAM. PERRY.

Moved by Rep. J. H. Perry, seconded by Rep. Dr. Aishton, That the Report just read be adopted.—*Carried.*

The Committee to consider on places of holding Session of G. D. submitted the following

R E P O R T.

To the Officers and Representatives of the G. D., Canada West:—

Your Committee, appointed on the subject of the places for holding future Sessions of the G. D., begs to report.

1. That by Rule III. of revised Constitution, it is determined that Annual Meetings must be held in October, &c.

2. That Art. I. Sec. I. Chap. II. of revised Rules, provides that a G. D. shall have power to hold its Annual and Quarterly Sessions at such places as may be agreed upon at the previous Annual Session.

3. Your G. D., at the Session held at Brockville, October 5th, passed the following Resolution. See Res., page 36.

While your Committee is not quite certain whether the action of the G. D. in this matter was clearly legal, yet it is recommended that it be acted upon, and that only one place of meeting be at present determined upon.

The Committee to adjudicate on the Prize Essay, submitted the following

R E P O R T.

To the Grand Worthy Patriarch and Representatives of the Grand Division of the Sons of Temperance of Canada West.

In behalf of the Committee appointed by the Grand Division to adjudicate upon the Essays which it was expected would be written in view of the prize of Twenty-five pounds offered by this body, I beg leave to report that as the Grand Worthy Patriarch, J. E. Ryerson, deemed it to be his duty to write an Essay, he appointed me as adjudicator on his behalf.

I had to proceed to Toronto three times before the whole of the Committee was together, and even then, through sickness in the family of the Rev. J. Boyd, the G. W. P. appointed J. McNab, Esq., of Toronto, as adjudicator on behalf of Mr. Boyd.

Thirty-two essays were placed in the hands of the chairman, Rev. W. Ormiston, and after a careful perusal your adjudicators awarded the prize to Mr. Smith, of St. George, in the County of Brant. Two of the rejected essays, one written by the G. W. P. and the other by Bro. Jackson, were so well written that your committee felt in duty bound to recommend to the Executive Committee of the League to purchase the essays alluded to from the authors of the same: which I am happy to state was done by the Executive Committee, thousands of which have been printed, and may be had from Bro. Jackson.

Respectfully submitted.

THOMAS NIXON.

R E P O R T.

To the Officers and Representatives of the G. D. S. of T., of Canada West.

The Special Committee appointed to draft a Petition from the G. D. to the Legislative Assembly praying for the passage of a Prohibitory Liquor Law, beg to report the following Petition, and that the G. W. P. and G. S. are hereby authorised to sign the same on behalf of this Grand Division.

TO THE HONORABLE THE MEMBERS OF THE LEGISLATIVE ASSEMBLY—IN PARLIAMENT ASSEMBLED.

The Memorial of the Grand Division of Sons of Temperance of Canada West.

HUMBLY SHEWETH—

That your Memorialists—assembled at Bytown from every section of Canada West—represent a very large portion of the inhabitants of that Province.

That the great and leading object of the Association represented by your Memorialists is to remove the evils inflicted upon our country by license laws, which legalize the traffic in, and encourage the use of intoxicating beverages.

That your Memorialists are convinced that the only mode by which such an object can be effected, is the enactment of a law prohibiting such traffic, except for mechanical and medicinal purposes.

Your Memorialists therefore earnestly pray that your honorable body may at the present session of Parliament enact such a law, and your Memorialists, as in duty bound, will ever pray.

Signed on behalf of the Grand Division, Sons of Temperance, of Canada West.

All of which is respectfully submitted.
